Zhejiang Jinko Energy Storage Co., Ltd
Forced Labor Verification Report

TÜV SÜD was engaged by Zhejiang Jinko Energy Storage Co., Ltd (hereinafter referred to as Jinko Energy Storage) to perform forced labor assessment from Oct. 10 to Oct. 11, 2025 in Jinko Energy Storage.

Responsible Party:	Zhejiang Jinko Energy Storage Co., Ltd
Address of Responsible Party:	No.8 Xiangxin Road, Huangwan Town, Haining City, Jiaxing City, Zhejiang Province, China
Verification Date:	Oct. 10-11th, 2025
Site Covered by Verification Activities:	No.8 Xiangxin Road, Huangwan Town, Haining City, Jiaxing City, Zhejiang Province, China
Verification Standard:	☒ OECD (Organisation for Economic Co-operation and Development) Guidelines ☒ ICCPR (International Covenant on Civil and Political Rights) ☒ ICESCR (International Covenant on Economic, Social and Cultural Rights) ☒ ILO (International Labor Organisation) Conventions
Verification Conclusion:	Based on the verification activities, TÜV SÜD has reached the following conclusions: 1. Management System Compliance Jinko Energy Storage has established a forced labor management system and has demonstrated the effective implementation of this system as well as a commitment to continuously improving its compliance with forced labor standards. 2. Internal & Supply Chain Adherence The factory management adheres to and maintains forced labor standards within the factory, and also integrates this commitment into supply chain management. 3. Regulatory Conformance In accordance with forced labor regulations, it was verified that the organization's forced labor operation within the boundaries meets the requirements of forced labor regulations in principle.
